

Don't incinerate petition to North Yorkshire County Council and its councillors

We the under-signed call on the councillors of North Yorkshire County Council and the City of York Council:

1. To listen to the community;
2. To vote against the proposed waste management plant at Allerton Park;
3. To urgently review their waste management strategy;
4. Specifically to review in full a wider set of more innovative and sustainable solutions for the future that match current national policy, reflect up to date technology and the state of the economy by going beyond large-scale incineration, reflecting the views of the public of North Yorkshire today through full, open and responsive dialogue with the public, and safeguard the heritage of those who live and work in the county now and in the future.
